Call for Student Feedback: Accommodations in STEM

The SCI 3900/HONOR 3990 class is creating an accessibility network to support students. They are looking to learn about student experiences in STEM classes and whether students are facing challenges with accommodations. If you receive accommodations in a STEM course, they would love to hear from you!

Use the QR code below or follow this link to [the HSTEM Accessibility Survey](#).

Have you struggled with accommodations?

Take our survey!

Please tell us your about your experience in STEM classes!

The SCI 3900/HONOR 3990 class is proposing an accessibility network to help students.

UVU Survey for Students with ADHD Diagnosis

Utah Valley University's Masters of Social Work program needs your help in conducting a study that looks at the academic experience of students who have a diagnosis of ADHD.

If you have a diagnosis of ADHD and are a current university student, please consider taking the following survey:

[ADHD and Academic Experience](#)

This survey is expected to take no longer than 10 minutes to complete. If you agree to participate in this study, you will be asked to report a diagnosis of ADHD and your performance and experience in your academic career. Your participation is anonymous and confidential.

Let us know!

We want your input on future events! Please complete an anonymous survey to let us know what events you would like to see from the Center for Disability and Access. [The survey can be found here.](#)

Check out the [CDA Events Webpage](#) to find more information on upcoming events.

This email was sent to you by the Center for Disability & Access with the intent to inform you about the office. Information is kept private.
